That's fine. If you have any thoughts about who should attend the meeting that Avi sets up, please let me know. Steve said to start with Andrew and Deborah. I'd also include Tom Laverty – all from the program approval/WQBELs in NPDES permits perspective. Because the letter also raises 303(d) listing issues, I expect Lee or Jim will have their own list of OW folks to invite.

TO discuss issues relating to WV's NPDES permit program and the effect of recently passed legislation. We need to

- Prepare Avi for a meeting with NGO representatives who signed the attached letter
- Recommend others in addition to OGC who should attend the meeting
